**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home and gigabit internet provided by Sonic is essential to my work. Not only that but this small company (compared to at&t) keeps the cost low so I can actually make a living! Previously, I only had access to at&t which provided expensive and shoddy service with terrible customer service. Maintaining competition is essential to ensuring people get the best service for the best price.
